MEMORANDUM FOR: DIRECTOR OF TRAINING  
VIA: DEPUTY DIRECTOR (PLANS)  
SUBJECT: Operational Security Course

1. The results of the first running of the Operational Security Course have been very gratifying to this Staff. Not only have the comments of the trainees been very favorable concerning the content and method of instruction, but also it is apparent to observers that the course has benefited the trainees.

2. We wish to express appreciation to Mr. [ ] for making the course available despite the loss of key instructor personnel, and to Mr. [ ] for devoting extra time to preparation along with his many other responsibilities, and for the manner in which he presented the materials.

3. It is believed that as more and more of the [ ] personnel take this training, there will be a noticeable rise in the general level of security consciousness, with consequent advantage to this Staff and the Agency. Under the present schedule it will be March 1953 before our present list of twenty-seven candidates can be accommodated in the course, and it is anticipated that many more will have applied for admission by that time. In order to avoid the risk of delaying their departure to the field, it is hoped that our personnel can be trained in larger numbers than are provided for in the present arrangements.
